

Jeff

We can't thank you enough for helping us get Brady in line. He is a much different dog now from what he was when we brought him to you just six months ago. Brady will still have those Brady moments but we now feel we have control of him and not the otherway around. It's been fun working with you as both Catherine and I know that sometimes you need to train the owners as much as you need to train the dog. I'm sure we will be in touch for a tune up from time to time and I know Brady will love coming out to Cedarshire to visit you and the Brittany's!

Many thanks,
Ric
